

Pike Township Trustees**Regular****Monday, May 4th****09****Regular Meeting**

President Doug Baum called the meeting to order at 7:30 p.m. Trustees Lee Strad was and Don Charnetzky were present but absent was Fiscal Officer Steve Knox. Others in attendance were Nancy Collier(Press News), Nancy Cramer, Nancy Snyder, Clarence Flowers, Debbie Moore, David Ross, Chrissy Gallion, Gary Alkire, Clarence Flowers, Zoning Inspector Sharon Perrine, Deputy Keith Evanoff, and Road Supervisor Mark Pahanish.

A motion was made by Charnetzky accepting the financials as presented. Seconded by Strad.

1st Public Speaks Session

Clarence Flowers stated that a resident asked about a helicopter that was flying low. The Trustees said that it was hired by the electric company to clear the area under power lines.

Arnie Adams stated that they put up another 20 blue address signs.

New Business

Baum stated that an old firebird went up his driveway and it turned out being a census bureau agent doing GPS calculations.

Baum also wants to hold a regular meeting at the Park Board Meeting Area. They will decide when later.

Old Business

Nothing at this time.

Sherriff's Report

Deputy Evanoff read his report.

Things are slowing down as he only had 13 calls last month.

He stopped 25 people and handed out 26 citations, with only one was taken to jail.

Financial Report

Knox stated that he would pay the East Sparta Volunteer Fire Department for the blue address markers at a cost of \$1,500.

Road Report

Pahanish read the road report.

The Buckeye Mining Company is being delayed because of the power lines needing to be moved. They estimate that the road will be closed by July 1st 2009.

They also mowed grass, bermed and ditched some roads.

Pike Township Trustees**Regular****Monday, May 4th****09**

They fixed a culvert.

He stated that we will receive sealed bids for the dump truck that we want to sell, with the deadline for sending the bids being September 1st, 2009.

Pahanish asked what we are doing with the generator at the fire station. The Trustees agreed to pour the concrete.

They have had some problems with the boom mower, and the repairs are going to be around \$1,000. The Trustees approved the repairs.

Pahanish asked if we were going forward with Haut. Baum said yes, as short as it is, go ahead and move forward.

Zoning Report

Perrine read the zoning report.

A complaint was brought forward about the Ballparks off of Stinewood and some commercial trucks and equipment being stored at the field. She checked it out, and it doesn't look like anything is being stored there, but they are currently doing work on the fields.

Second Public Speaks

Nothing at this time.
